ARTICLE I. - IN GENERAL

Sec. 28-1. - Solicitation of funds upon the public ways (tag days).

- (a) *Authorization.* This section is enacted pursuant to the general police power of the authorities granted to cities and villages by the state constitution and Illinois statutes.
- (b) *Purpose and intent.*
 - (1) It is the intent of the village board in enacting this section:
 - a. To serve and protect the health, safety and welfare of the general public;
 - b. To establish a uniform set of rules and regulations that are fair and equitable;
 - c. To provide protection to the individuals engaged in soliciting funds and contributions on tag days.
 - (2) The regulations contained in this section are not intended to prohibit or hamper speech that is protected by the First Amendment of the United States Constitution but merely to regulate specific activities located in village public ways and dangerous to those engaged in such activities and to the public at large.
- (c) *Definition.* The term "tag days," as used in this section, shall mean those days on which it shall be lawful for charitable organizations to solicit funds for charitable purposes upon the public ways of the village through means of distributing emblems, or selling flowers or merchandise, with the possession of such emblem, flower or merchandise indicating those who have contributed to such fund or funds.
- (d) *Supervision.* Supervision and control over all tag days shall be vested in the village clerk. The village clerk, together with the chief of police, may formulate reasonable rules as they may deem necessary for the purpose of carrying out the provisions of this section and properly controlling the conduct of any tag day.
- (e) *When conducted.* There shall be only one tag day conducted on any given day. Only one tag day permit shall be issued to any organization within a calendar year. A tag day permit authorizes the organization to solicit on a single day. In special circumstances, an additional day may be granted at the discretion of the village clerk. Solicitors shall only be allowed to solicit during the hours of 7:00 a.m. to 6:00 p.m., or dusk, whichever occurs first, and no solicitor shall be under the age of 16 years. Any person who is engaged in soliciting and has not attained 18 years of age, shall be accompanied by a adult chaperone. All such tag days shall be conducted on Fridays or Saturdays, excluding any federal or state holiday and on any date in which the village is conducting a special event such as the Good Neighbor Parade.
- (f) *Registration with attorney general.* Any organization seeking approval to conduct tag day solicitation shall provide the village clerk with documentation demonstrating that said organization is currently registered and in good standing with the Illinois Attorney General's Office as a charitable organization.
- (g) *Where conducted.* All such "tag days" shall be conducted at the following locations in the village and at no other location:
 - (1) Intersection of Ridge Road and Wentworth Avenue.
 - (2) Intersection of Ridge Road and Burnham Avenue.
- (h) *Permission from village.* Before engaging in or conducting any tag day, each organization shall make application for permission therefor to the village clerk in such form as the clerk may designate. For permits to be issued for the following calendar year, Lansing based organizations only may make application during the month of November. Beginning December 1st, non-Lansing based organizations may submit applications. If more than one application for the same date is received the village clerk,

shall, if applicable, give preference to an organization based in or having the more significant contacts with the village.

- (i) *Obstruction of street.* No person soliciting funds on behalf of such an organization shall willfully or unnecessarily attempt to delay, hinder or obstruct any other person in lawfully driving or traveling along or upon any street or thoroughfare within the village.
- (j) *Identification of participants.* Every person who solicits funds on behalf of such an organization on such a tag day shall wear a uniform or article of clothing which by its nature or design informs the general public of the identity of the organization soliciting the funds or shall wear or carry such other emblem, button, sign or insignia that fully and clearly informs the public of the identity of the organization. In addition, such solicitor shall have a container on which is provided or affixed the name of the organization and such container shall be completely sealed except for a slot for deposit of currency or coins.
- (k) *List of organizations.* The village clerk shall compile and maintain a list of charitable organizations for which charitable solicitations shall be permitted without further registration.
- (l) *Safety.* Every person who solicits funds on behalf of such an organization on such a tag day shall wear an orange or yellow reflective safety vest or other article of clothing which by its nature or design significantly increases their visibility to the public. This article of clothing shall not interfere in any way with the provisions of subsection (h) above regarding the identification of the organization. In addition, the village may require additional safety measures as it deems appropriate
- (m) *Penalties.* The penalty for violating any provision of this Ordinance or any other applicable section hereof, shall be, in addition to any other sections provided, a fine not exceeding \$750.00 dollars for each offense together with revocation or suspension of the vendor's license. Each violation shall be evidenced by a separate written notice presented at the time of citation for the offense. A hearing on each violation shall be required before any fines, suspensions or revocations can occur. Each day of violation shall be deemed a separate offense.
- (n) *Suspension or revocation of license.* The acts or conduct shall result in suspension or revocation of any such license:
 - (1) Fraud, misrepresentation or knowingly false statement contained in the application for the license;
 - (2) Conducting the business of tag days solicitations in any manner contrary to the conditions of the license;
 - (3) Conducting the business of tag days solicitations in such a manner as to create a public nuisance, cause a breach of the peace, constitute a danger to the public health, safety, welfare or morals, or interfere with the rights of abutting property owners.
