Dear Homeowner,

Recently, the Lansing Village Board of Trustees passed Ordinance: No. 13-032 which affects any seller of a property within the Village of Lansing. The Ordinance established the requirement of obtaining a Certificate of Payment *prior* to recording deeds for the sale or transfer of property. The Certificate of Payment serves as confirmation that all outstanding service charges due to the Village of Lansing have been paid-in-full.

All title companies that do business in the State of Illinois have been notified of Ordinance No. 13-032. The Ordinance should be noted on all title commitments which places both the buyers and sellers on notice that the application for Certificate of Payment is required *prior* to closing.

Please make sure that you complete the required form *prior* to your scheduled closing date and return it to the Treasurer's Office at the 3141 Ridge Rd, Lansing, IL 60438 by either us mail, fax or email. Upon receipt of the application and payment of any outstanding service charges, the Village requires *three (3) business days* to issue a Certificate of Payment. Any questions you may have should be directed to the Village Treasurer at (708) 895-7200.

An application for the Certificate of Payment has been included with this notification for your convenience.

Sincerely,

Arlette Frye
Village Treasurer
