Volunteers Needed

As the Village of Lansing moves forward with its Santa House plans for the 2017 holiday season, we are recruiting volunteers in several areas. If any bricklayers, carpenters, or electricians are interested in pitching in, please contact Ken Reynolds at (708) 895-7209 or email him at kreynolds@villageoflansing.org with your availability. Volunteering to help might even get you on Santa's "good list" for 2017!
