

Yard Waste/Leaf Pickup

The fall season is upon us and the colorful leaves on the trees will soon be falling to signal the transition to winter. The Public Works and Building Departments want to remind all residents of the proper procedure for disposing of leaves and other yard waste. All yard waste, including leaves, should be placed in your toter with the **GREEN** lid or in brown paper yard waste bags and then placed where your weekly garbage pickup is conducted. If you would like to rent additional toters for your leaves or yard waste, please contact the Public Works Department at (708) 895-7190. **Please note: the Village of Lansing no longer utilizes the curbside leaf vacuuming program. Leaves raked to the curb and left in the parkway will NOT be removed.** The yard waste program will run through Friday, December 1st and may be slightly extended if the early part of winter is mild with little or no snow.

Branches

Just a friendly reminder to all Lansing residents that the Public Works Department will only pick up and remove tree branches when they are left by the **front curb on the assigned garbage day**. The Public Works vehicles do not travel down any alleys and will not remove branches left there.

Recycling

All recycling is picked up on a biweekly basis. Recyclable items should be placed in the toters with the **YELLOW** lid and left by the **front curb only**. The recycling trucks do not travel down alleys and will not remove recycling items left there.

The Village of Lansing thanks you in advance for your cooperation with these policies.
