

DATE: October 4, 2018

POSITION: Airport Maintenance Worker

DEPARTMENT: Lansing Municipal Airport

JOB DUTIES: Performs a wide variety of semi-skilled airfield maintenance duties that include the use of light to heavy tools and equipment in all weather conditions. Responds to emergency calls as needed. Performs other duties as assigned under the general direction of the Airport Maintenance Supervisor. Possesses a CDL or has the ability to obtain a CDL within 6 months of hire.

QUALIFICATIONS: Is in frequent communications with airport users, tenants, emergency-response agencies, co-workers and the public when operating vehicles and equipment in aircraft movement areas. Monitors and maintains operator ramps, perimeter fences, aircraft hangars, grounds and landscape areas, access gates and related areas as directed. Escorts and oversees contracted service providers. Removes foreign objects and debris from the airfield. Replaces lamps and undertakes minor repairs to doors, locks, signage, perimeter fencing and performs some bench carpentry when required. Operates tractors, mowers, snow plows, and other equipment and performs routine maintenance on service trucks and other airport equipment. Works cooperatively to help provide a safe and efficient airport environment. Must pass a background check and pre-employment drug screen.

SALARY: \$21.00-\$22.00 (depending on qualifications) for P/T position.

DEADLINE: Open Until Filled.
